Explore the Town's Rich Architectural Heritage

Uxbridge is home to a diverse range of architectural styles that reflect the town's rich history. From the Victorian elegance of the Uxbridge Town Hall to the Gothic Revival beauty of Zion United Church, each building tells a story of the town's past.

Through stunning colour photos, the book takes you on a guided tour of Uxbridge's architectural treasures. You'll marvel at the intricate details of the Scott House Museum, built in 1859, and admire the grandeur of the Uxbridge Public Library, a magnificent Beaux-Arts structure completed in 1918.

Immerse Yourself in Tranquil Natural Landscapes

Beyond its architectural wonders, Uxbridge is blessed with an abundance of natural beauty. The book transports you to serene landscapes that will soothe your soul and ignite your imagination.

Capture the vibrant hues of fall foliage along the scenic York Durham Heritage Railway Trail. Wander through lush forests teeming with wildlife and discover hidden waterfalls that cascade through the landscape. With each turn of the page, you'll find yourself immersed in the breathtaking grandeur of Uxbridge's natural surroundings.

Witness the Spirit of the Community

Uxbridge is more than just a collection of buildings and landscapes. It's a vibrant community filled with people who embody the town's friendly and welcoming spirit.

The book's photos capture the essence of Uxbridge's community events, from lively festivals to intimate gatherings. You'll witness the pride in the town's annual Canada Day Parade, the excitement of the Uxbridge Fall Fair, and the warm camaraderie of community gatherings held throughout the year.

A Treasure for Uxbridge Residents and Visitors

"Uxbridge Ontario In Colour Photos" is an essential keepsake for residents who want to cherish the beauty of their town and share its wonders with others. For visitors, it's the perfect way to prepare for an unforgettable trip and to relive the memories of their stay.

With its stunning photography and informative captions, the book is also an invaluable resource for historians, architects, and anyone interested in the rich cultural heritage of Uxbridge.
