Welcome to Audubon County, Iowa, an angler's paradise where pristine waters and abundant fish populations await your arrival. Whether you're an experienced angler or a novice just starting out, our comprehensive guide will lead you to the best fishing spots and scenic float routes in this hidden gem of Iowa.

## Fishing in Audubon County

Audubon County is home to a diverse range of fish species, including largemouth bass, smallmouth bass, channel catfish, flathead catfish,

crappie, bluegill, and walleye. With so many options to choose from, you're sure to find the perfect fishing spot for your skill level and target species.

The Raccoon River and Middle Raccoon River are two of the most popular fishing destinations in Audubon County. These rivers offer a variety of fishing opportunities, from wade fishing to boat fishing. The Raccoon River is known for its largemouth bass and catfish populations, while the Middle Raccoon River is a great place to catch smallmouth bass and walleye.

In addition to the rivers, Audubon County is also home to several lakes and ponds that offer excellent fishing opportunities. Lake Manawa and Lake Anita are two of the most popular lakes in the county. These lakes are stocked with a variety of fish species, including largemouth bass, smallmouth bass, crappie, and bluegill.

### **Recommended Fishing Spots**

- Raccoon River (near the town of Audubon)
- Middle Raccoon River (near the town of Coon Rapids)
- Lake Manawa (near the town of Council Bluffs)
- Lake Anita (near the town of Anita)
- South Raccoon River (near the town of Dexter)
- East Nishnabotna River (near the town of Exira)

### **Floating in Audubon County**

In addition to fishing, Audubon County is also a great place to go floating. The Raccoon River and Middle Raccoon River offer several scenic float routes that are perfect for a relaxing day on the water.

The Raccoon River float route is approximately 10 miles long and takes about 5-7 hours to complete. The float route starts at the Lake Panorama Dam and ends at the town of Audubon. The Middle Raccoon River float route is approximately 15 miles long and takes about 6-8 hours to complete. The float route starts at the town of Bayard and ends at the town of Coon Rapids.

Both float routes offer a variety of scenery, from wooded bluffs to open meadows. You'll also see plenty of wildlife along the way, including deer, turkeys, and eagles.

### **Recommended Float Routes**

- Raccoon River (Lake Panorama Dam to Audubon)
- Middle Raccoon River (Bayard to Coon Rapids)

### **Planning Your Trip**

If you're planning a fishing or floating trip to Audubon County, there are a few things you'll need to do to prepare.

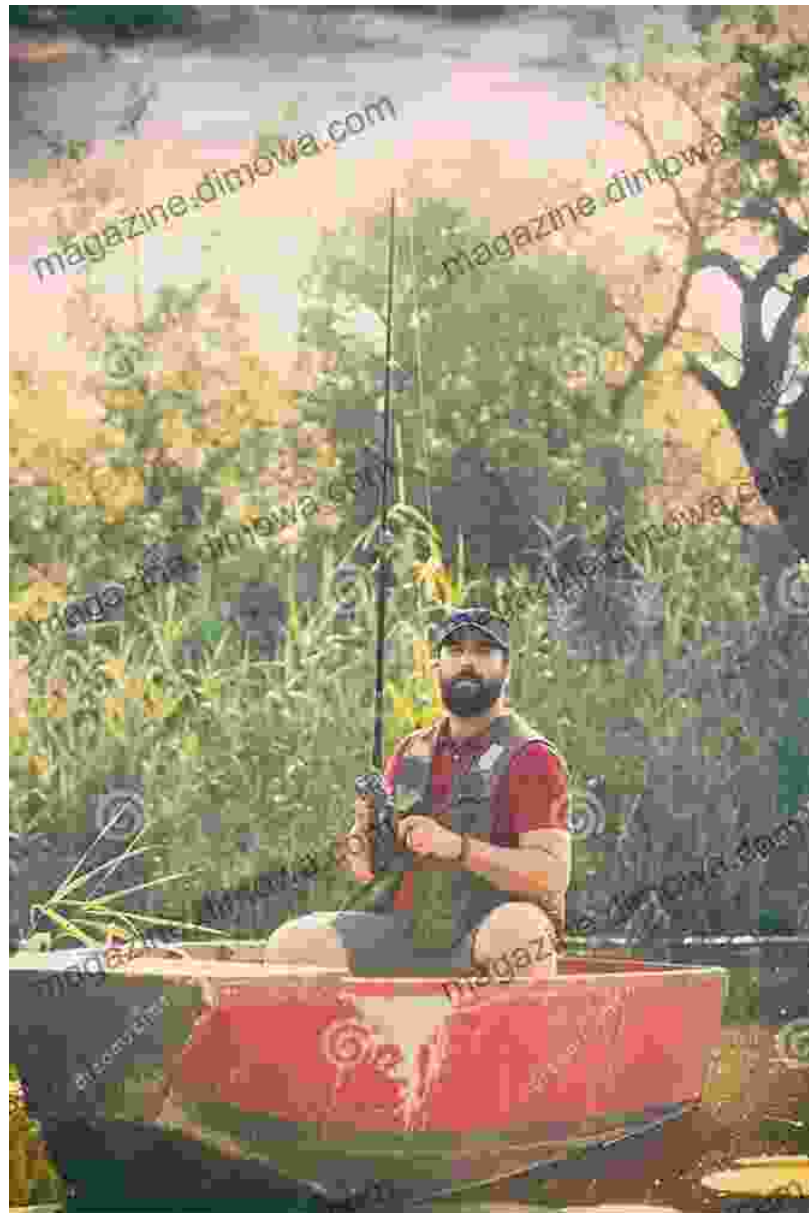

- Free Download a fishing license. You can Free Download a license online or at any local bait and tackle shop.
- Rent or bring your own boat or canoe. You can rent boats and canoes at several locations in Audubon County.
- Bring all of the necessary gear, including rods, reels, bait, tackle, and life jackets.
- Check the weather forecast before you go. Iowa weather can be unpredictable, so it's always a good idea to check the forecast before

you head out.
