The book is divided into three parts. The first part, "Sport and Social Change," examines the ways in which sport can be used to address a wide range of social issues, including poverty, inequality, and discrimination. The second part, "Sport and Culture," explores the role of sport in shaping culture and identity. The third part, "Sport and Society," examines the

relationship between sport and other social institutions, such as the media, education, and government.

**How to Make a Difference** is an essential resource for anyone interested in the power of sport to create positive social change. The book's contributors are leading scholars in the field, and their research provides a valuable overview of the latest thinking on the topic. The book is also accessible to a wide audience, making it an ideal resource for students, policymakers, and anyone else who wants to learn more about the ways in which sport can be used to make a difference.
