Are you preparing for a competitive exam? If so, you know that success depends on having a strong foundation of knowledge and the ability to apply that knowledge to a variety of questions.

IMP FACTS AND EXPECTED QUESTIONS is a comprehensive book that provides essential information and practice questions for candidates preparing for various competitive exams. The book covers a wide range of topics, including:

- General knowledge
- Current affairs

- Science
- Mathematics
- Reasoning

The book is divided into three sections:

1. **Section 1: General Knowledge** This section covers a wide range of topics, including history, geography, polity, economics, and culture.
2. **Section 2: Current Affairs** This section provides a comprehensive overview of the latest events and issues both in India and around the world.
3. **Section 3: Science, Mathematics, and Reasoning** This section covers the essential concepts and principles of science, mathematics, and reasoning. It also includes practice questions to help you test your understanding of these topics.

IMP FACTS AND EXPECTED QUESTIONS is an invaluable resource for students looking to enhance their knowledge and improve their chances of success in competitive exams. The book is written in a clear and concise style, and it is packed with useful information and practice questions. It is the perfect study guide for anyone preparing for a competitive exam.
