By Simon Bunce

When Simon Bunce moved to Madrid from London, he thought he was prepared for anything. After all, he had lived in Spain before, and he spoke the language fluently. But what he didn't expect was the sheer amount of bureaucracy he would have to navigate, the cultural differences he would encounter, or the hilarious misunderstandings that would become his daily life.

In *Load of Bull*, Simon shares his misadventures in Madrid with wit and charm. From trying to get a Spanish driving license to dealing with the

Spanish healthcare system, Simon's stories will make you laugh, cringe, and fall in love with Madrid all over again.

Here's a taste of what you can expect from Load of Bull:

- Simon's attempts to get a Spanish driving license, which involve a series of increasingly bizarre and frustrating encounters with the Spanish bureaucracy.
- His experiences with the Spanish healthcare system, which are both hilarious and heartwarming.
- His adventures in Spanish culture, from trying to understand the Spanish obsession with bullfighting to learning the art of flamenco.

Whether you're a seasoned expat or just dreaming of moving to Spain, Load of Bull is a must-read. Simon's stories will make you laugh, cringe, and fall in love with Madrid all over again.
