From the majestic eagle soaring high in the Alps to the playful dolphins frolicking in the Mediterranean Sea, this book introduces young explorers to a diverse array of creatures that inhabit our continent.

Learning with Wonder

Each page features a stunning illustration of an animal, accompanied by its name, a brief description, and a fun fact. This engaging format makes learning a delightful experience, empowering children with knowledge about the unique characteristics and habitats of each creature.

As they progress through the alphabet, your child will encounter a menagerie of fascinating animals, including:

- The elusive Arctic fox, with its snowy white coat and piercing blue eyes
- The elegant barn owl, known for its exceptional night vision and silent flight
- The graceful crane, with its long legs and elegant plumage
- The curious Eurasian badger, a skilled digger with distinctive black and white markings
- The mighty European bison, the largest land mammal in Europe

A Visual Feast
