“**My First Summer in the Sierra Annotated** is a beautiful and informative book that will inspire you to explore the beauty of the Sierra Nevada mountains. John Muir's writing is timeless, and the updated maps and photos make this edition the most comprehensive and user-friendly guide available.” – National Geographic

About the Author

John Muir was a Scottish-American naturalist, author, and environmentalist. He is considered one of the fathers of the American conservation movement. Muir's writings about the beauty and fragility of the natural world helped to inspire the creation of Yosemite National Park and other protected areas in the United States.

Muir was a prolific writer and photographer. His most famous works include **My First Summer in the Sierra**, **The Mountains of California**, and **Our National Parks**. Muir's writings continue to inspire people around the world to explore the beauty of the natural world and to protect its fragile ecosystems.
