

Or The Men And Government The Laws And Customs Of Cuba As Seen By American Eyes

A Comprehensive Look at Cuba in the Late 19th Century

This book is a fascinating and comprehensive look at the culture, customs, and politics of Cuba as seen through the eyes of American visitors in the late 19th century. The book is divided into three parts: the first part provides a general overview of Cuba, its history, and its people; the second part examines the Cuban government and its laws; and the third part explores the customs and traditions of the Cuban people.

Yankee travels through the island of Cuba: or, The men and government, the laws and customs of Cuba, as seen by American eyes by Rob Bignell

The first part of the book provides a detailed overview of Cuba, its history, and its people. The author begins by discussing the geography of Cuba and its climate. He then provides a brief history of Cuba, from its discovery by Christopher Columbus in 1492 to its independence from Spain in 1898.

The author also discusses the demographics of Cuba, including its population, ethnic groups, and religions.

The second part of the book examines the Cuban government and its laws. The author begins by discussing the structure of the Cuban government, including its executive, legislative, and judicial branches. He then examines the Cuban legal system, including its civil and criminal codes. The author also discusses the Cuban military and its role in Cuban society.

The third part of the book explores the customs and traditions of the Cuban people. The author begins by discussing the Cuban family, including its structure, roles, and values. He then examines Cuban cuisine, including its ingredients, dishes, and customs. The author also discusses Cuban music, including its history, styles, and instruments. The author concludes by discussing Cuban religion, including its beliefs, practices, and festivals.

This book is a valuable resource for anyone interested in the history and culture of Cuba. The book provides a comprehensive overview of Cuban society, from its government and laws to its customs and traditions. The book is also well-written and engaging, making it a pleasure to read.
