## A Cat's Eye View of Paris

Princess's journey began on a sun-kissed morning beneath the majestic Eiffel Tower. As she scampered along the cobblestone streets, her keen senses absorbed the city's vibrant sights and sounds. The elegant architecture, the bustling markets, the tantalizing aromas from bakeries—Paris was a feast for all her senses.

Beneath the city's surface, however, lay hidden secrets and forgotten stories. Curiosity led Princess into the depths of the Paris catacombs, a

labyrinthine network of tunnels and ossuaries that held centuries of history within their stone walls.
