

Ready to Read Level Connected Based on The Mitchells vs. The Machines: An Epic Adventure for Young Readers

Get ready for an action-packed adventure with the Mitchells, a quirky and lovable family who embarks on a cross-country road trip just as the world is taken over by mischievous robots! Join Katie, a creative and determined filmmaker, along with her eccentric parents, Rick and Linda, her quirky younger brother Aaron, and their loyal dog, Monchi.

As the Mitchells navigate the chaos caused by the robot uprising, they discover the importance of embracing their individuality, celebrating their differences, and finding connection in a world that's increasingly driven by technology. With humor, heart, and a touch of adventure, this book captures the essence of the hit movie *The Mitchells vs. The Machines*, providing a fun and engaging reading experience for young readers.

- **Based on the Hilarious and Heartwarming Movie:** Kids will love reliving the excitement and adventure of *The Mitchells vs. The Machines* with this officially licensed book.
- **Perfect for Beginning Readers:** The simple language, short chapters, and engaging narrative make this book perfect for children ages 4-6 who are just starting to read independently.
