Seeing Things: The Art of Jim Woodring is a beautiful and haunting collection of the artist's work. From his early psychedelic comics to his later, more surreal paintings, Woodring's art is a unique and unforgettable journey into the human psyche.

The book is divided into four sections, each of which explores a different aspect of Woodring's work. The first section, "The Early Years," features Woodring's early comics and illustrations, which were heavily influenced by psychedelics. These works are full of strange and wonderful creatures, and they offer a glimpse into the artist's unique vision.

The second section, "The Frank Years," features Woodring's work from the 1980s and 1990s, when he created his most famous character, Frank. Frank is an anthropomorphic cat who is both innocent and wise, and he is

the star of Woodring's most celebrated work, the graphic novel Jim. These works are full of humor, pathos, and wisdom, and they offer a unique perspective on the human condition.

The third section, "The Later Years," features Woodring's work from the 2000s and 2010s. These works are more surreal and abstract than his earlier work, and they often explore themes of death and loss. However, they are also full of beauty and wonder, and they offer a glimpse into the artist's continuing evolution.

The fourth section, "The Sketchbooks," features a selection of Woodring's sketchbook drawings. These drawings are a fascinating glimpse into the artist's creative process, and they offer a unique perspective on his work.

Seeing Things: The Art of Jim Woodring is a beautiful and haunting collection of the artist's work. It is a must-have for fans of Woodring's art, and it is also a great to his work for those who are new to it.
