

# This Is Not Sufficient: A Wake-Up Call for the Church

In his new book, *This Is Not Sufficient*, Brandon Hatmaker argues that the church is failing to meet the needs of people in the 21st century. He says that we are too focused on outdated traditions and rituals and that we are

not ng enough to reach out to people who are struggling with real-world problems.

Hatmaker writes, "The church is not a museum. It is not a place where we go to preserve the past. It is a living, breathing organism that is supposed to be changing and adapting to the needs of the people it serves." He says that we need to be more open to new ideas and that we need to be willing to experiment with new ways of ng things.
