In Volume 1, you will learn:

- The history of traditional bow making
- The different types of bows and arrows

- How to select the right wood for your bow
- How to design and build your bow
- How to finish and string your bow
- How to shoot your bow

Whether you are a beginner who is just starting out or an experienced bowyer who wants to learn more about the craft, Traditional Bowyer's Bible Volume 1 is the perfect resource for you.

About the Author

Jim Hamm is a world-renowned bowyer and author. He has been making bows for over 40 years and has taught thousands of people how to make their own bows. Jim is a member of the Bowyer's Guild of America and the National Field Archery Association. He is also the founder of the Traditional Bowyer's Society.

Jim's bows are known for their beauty, performance, and durability. He has won numerous awards for his work, including the prestigious "Bowyer of the Year" award from the Bowyer's Guild of America.
