- **Barranco:** Barranco is a bohemian district of Lima that is home to a number of bars, clubs, and live music venues.

Lima is a relatively safe city, but there are always some precautions that you should take when traveling in a foreign country. Here are a few safety tips:

- Be aware of your surroundings and be careful of pickpockets.
- Don't walk around alone at night, especially in unfamiliar areas.
- Keep your valuables safe and don't carry large amounts of cash.
- Be careful when using ATMs and don't use ATMs that are located in isolated areas.
- If you're going to be drinking, be sure to drink in moderation and don't get too intoxicated.
- If you're experiencing any problems, don't hesitate to contact the police or your hotel staff.

Lima is a vibrant and exciting city that offers a unique blend of history, culture, and modernity. Whether you're interested in exploring ancient ruins, sampling delicious cuisine, or simply soaking up the local atmosphere, Lima has something to offer everyone.
